

## **Washington Public Library Scooter Policy**

Scooters, roller skates, skateboards, bicycles and other wheeled recreational items are not to be used within the Washington Public Library, nor are they allowed inside the library proper.

Patrons are encouraged to use the bicycle rack in the parking lot for bicycles. Skateboards, roller skates and scooters are not to be used on library property except as transportation to the doors of the library. Patrons may leave scooters and other similar items in the receptacle provided in the lobbies, but the library will not be responsible for them.
